

# Daylight Saving Time Checklist

Fall back or spring forward with ease when you use this handy daylight saving home maintenance checklist.

Don't forget daylight saving time. Before you go to bed on Saturday night, set your clocks back an hour in the fall or forward an hour in spring, and then take care of these housekeeping tasks to keep your home safe and efficient.

Check and replace batteries in smoke and carbon monoxide alarms. CO alarms do expire so be sure to check if any need replacing.

Check and replace CFLs.

Make sure your appliances are covered and running all year-round with a plan from ServiceChoice.

Review and update your programmable thermostat settings.

Check windows and doors for drafts or leaks. Seal any leaks with weatherstripping.

Reverse your ceiling fan's direction to blow down in the winter and up in the summer.

Check exterior dryer and heater vents to ensure they are clear of debris.

Check and replace furnace and air conditioning filters.

Clean dryer filter and hoses.
